WATER & GAS: Water and gas charges may be applicable for tenants to pay.

PETS: You must complete an application for your pet providing all the information required.

NEW PET LEGISLATION: Current legislation requires tenants to get written permission in their tenancy agreement to have a pet in their rental property and stipulates they are also responsible for any damage to the property caused by their pets. The special terms can also stress that tenants have the property fumigated and the carpets cleaned when their tenancy is up. An Owner still has a right to decline a pet request even when this legislation comes into play however, they must provide a reason.

INTERNET: As all properties can be different, please contact your internet provider to find out more information regarding internet access at this property. Please note, owners are not required to ensure there is an active line available so tenants may have to seek alternative internet arrangements where a connection is unavailable.
