\$650,000 - \$715,000

Signature style with life-affirming light moves through every corner of this contemporary 3-bedroom home, revealing the one you've been searching for in a desired neighbourhood directly across from Kings Creek parklands and only moments to schools and the heart of Hastings. Timber-look floors, a bright palette and high ceilings move from the brick-and-render facade into a substantial open-concept lounge and dining space, where oversized windows gaze over the private yard while allowing plenty of natural vibrance. The stone kitchen features a 900mm gas cooker, dishwasher and a double pantry, ensuring every need is met for the avid home chef who'll love entertaining on the sunbathed rear terrace. The 3-bedroom accommodation is zoned to perfection with two robed bedrooms to one side around a bathroom, toilet and laundry, while the main suite offers its own private indulgence at the front of the home with a walk-in robe, ceiling fan and full ensuite. Finishes include split-system air conditioning, ducted heating, LED downlights, two rainwater tanks, and a double garage. Perfect for first-time buyers, young families, investors and downsizers, it offers the utmost convenience to the best of Hastings, including Wallaroo Primary, Western Port Secondary, buses, Kings Creek Hotel, Hastings High Street, and the beautiful foreshore reserve and marina.
