The heights of Camperdown!

Nestled in a peaceful pocket of town, this well-maintained brick veneer home offers fantastic value for first-time buyers, downsizers, or investors alike. The property features three spacious bedrooms, with built-in robes in two bedrooms and a walk-in robe in the master, providing ample storage options. Enjoy the views of Mount Leura from the upstairs and the privacy of a split level home. The generously sized living area is equipped with wood fire heating and a reverse cycle split system, creating a comfortable space to relax year-round. The kitchen has ample storage, a dishwasher, pantry and a view of the rear patio.

A very recently renovated main bathroom services the home with a bath, shower and single vanity as well as a separate laundry downstairs which provides storage and access through to the courtyard. With two entertaining areas, perfect for summer! And an approx 1019 sqm block, you can have the space for kids, pets and hobbies. The attached garage is wonderfully sized and grants access to the rear yard. Don't miss this opportunity, make contact today for a private inspection.
