Russell Island is part of Redland City, Queensland and the largest of the Southern Moreton Bay Islands. It has a length of 8 kilometers and width of nearly 3 kilometers and is situated between North Stradbroke Island and the mainland. Home to evocatively named landmarks such as Kinbbinkibbinwa Point, Ooncooncoo Bay and the Whistling Kite Wetlands, Russell (Canaipa) has a rich history; originally inhabited by indigenous residents later limeburners, timbergetters, oystermen and sugar, fruit and cotton farmers of yesteryear called the island home.

We now have a range of facilities and services that include an RSL and Bowls Club, a shopping center that includes a Supa IGA, post office, bakery and hair dresser. We also have a police station, ambulance center, public swimming pool, primary school, child care centre, hardware store, petrol station, vet, pet store, and several great cafes. There is also a medical center, pathology collection center and pharmacy.

The waters around the Southern Moreton Bay Islands are a great attraction for boaties of every type, canoeists and fisherman. For tourists, tripadvisor suggests that visitors enjoy our beautiful sunrises and sunsets from our coastline or parks, the biking and walking trails. We also have a number of Galleries, markets scheduled on a regular basis and swimming pool. weekendnotes.com lists Russell island as number 4 in the top places to Kayak in Brisbane
