Breath of fresh air

Behind the 1910 facade of this charming original cottage lies a contemporary renovation creating a very up to the minute lifestpace. Open plan living combines kitchen dining with double glazed sliding doors opening onto a private alfresco entertaining courtyard.

The central stairway separates this area from the living spaces with a fireplace between another lifestyle space suitable for a myriad of differing uses including a potential third bedroom. More large sliding doors open to a sub drenched deck on this side of the home.

Glazed sliding doors at the rear of the home reveal a pantry/ laundry with a modern bathroom completing the downstairs. Upstairs is a good sized double bedroom with built in robes and a double dormer window. Off street parking for two cars and a secure storage cabinet add further appeal to the residence.

Within a quick stroll to Marieville Esplanade beach and the yacht clubs along with the Sandy Bay Shopping Centre and a very short commute to the CBD and situated in a very coveted precinct this gem is ripe for picking.
