## **Investor or First Home Buyer Alert!**

This affordable, low-set timber-frame home is perfectly positioned on a spacious, fenced corner block, just a short walk from Home Hill's CBD. Inside, you'll find three air-conditioned bedrooms, a well-equipped laminated kitchen, separate lounge and dining areas, classic VJ (tongue-and-groove) walls, and polished pine floors in the central living space. Outside, the property features a single bay zinalume garage, a private masonry block entertaining area, and a convenient lawn locker. The generous yard spans a full quarter-acre (1012 sqm) and offers access from two streets. Ideal for first-time buyers or savvy investors, with tenants in place until March 2025 at \$310 per week.
