Executive Residence Capturing Breathtaking Views

Poised to capture elevated views reaching to Mount Macedon, this precision-engineered executive residence enjoys extraordinary privacy, surrounded by a reserve to two sides of the home. An absolute dream to live in, the home opens to an elegant entry with a raised tray ceiling, while expanses of double-glazed windows and doors allow the views to always take centre stage.

Rich Red Mahogany hardwood flooring underfoot heightens the sense of luxury, with expansive lounge, family, and meals areas complemented by a stylish modern kitchen featuring a dedicated island, huge walk-in pantry, and a full suite of premium Miele appliances. A front alfresco and veranda fitted with bistro blinds is perfect for enjoying lavish dinners, while a 2nd rear covered outdoor entertaining, plus paved areas, allow a seamless connection with nature.

Accommodation of four bedrooms includes a main suite completely to its own wing, with mountain views, a sitting area, walk-in robe, and ensuite. Remaining bedrooms are all fitted with built-in robes and serviced by the central bathroom, with a separate toilet and 2nd sink affording powder room amenity.

An integrated remote-controlled epoxy 4-car garage and extensive fully fitted and lined under-house storage/workshop areas offer brilliant utility, with a 3rd toilet and sink, and wine cellaring. Plus there's an additional undercover parking space, 4kW solar panels, internal laundry with storeroom, ducted heating/cooling, and a water tank.

Set on over a quarter of an acre of formal landscaped gardens with topiary hedging, pencil pines, Lilly Pilly hedging, a Jasmine-trellised arch, and a paved tree ring surrounding a signature fruit-bearing crabapple tree, the uniform grounds are softly contrasted by the native beauty of the neighbouring reserve, allowing blissful privacy. Zoned for Gisborne Secondary College and Gisborne Primary School, it's within a 5-minute drive of Gisborne township shops, cafes, and amenities.
