Outstanding Investment - 3 Rental Incomes

Here is an investment opportunity, with 3 rental incomes from the original 2 storey, 3 bedroom home and two (2) modern 3 bedroom townhouses behind. All are air-conditioned and on a large 885m² block, with rear lane access, a bus stop nearby and only a few minutes walk from shops, schools, clubs and sporting facilities. There is the possibility of strata subdivision (STCA) or with a little TLC, the potential to increase rental income to around \$89,000 per annum
