A Secluded Retreat Moments From The Centre Of Diamond Creek

Expressions of Interest: Offers Close Tuesday 17th December at 5pm (Unless Sold Prior)

With a generous layout design that extends across one simple-to-manage level, first-time home buyers, young families, empty nesters, and investors will adore the easy-care spaces and sought-after location of this light and bright home.

Tucked at the end of a boutique block of a low-traffic street that has you an easy walk from the heart of Diamond Creek and its station, schools, shops, supermarkets, dining and entertainment options, its rear boundary sits along acres of rural land, which deliver a relaxing background to alfresco living.

Fresh paint and new carpet highlight a surprisingly spacious interior that introduces a main bedroom with a walk-in robe and a full ensuite and two further bedrooms, which are served by a striking contemporary bathroom. Fully tiled and featuring a back-to-wall bath and frameless shower, it brings a touch of luxury to everyday living.

Complementing the accommodation options are a generously proportioned lounge-dining that partners with an open-plan living-meals integrating the stainless steel equipped kitchen to create plenty of space to spread out when spending time with friends and family. An inviting retreat in an enticing location, it is ready to enjoy from the moment you move in!
