It's fully equipped with a Westinghouse stovetop, oven, rangehood, and dishwasher—ideal for family gatherings. The living and dining areas enhance the heart of the home, with plush carpeting and a brand-new Daikin heat pump to keep everyone comfortable year-round.

Additionally, the living room provides access to storage under the stairs, and the nearby laundry offers even more storage, along with a separate powder room for added convenience.

Also located on the main level is a second living room, perfect for a cozy retreat, media room, or children's play area. This room has also been cleverly utilised as a fifth bedroom.
