WHEN SIZE DOES REALLY MATTER

Blocks of these size are as rare as hens teeth!! If you are looking for a massive block within only minutes from all major amenities, then we have found this absolute beauty for you!! Nestled on 1,113m² of prime real estate in the BOOMING and forever growing suburb of Redbank Plains, there is ample room to build a massive shed along with room for a pool and you would still have loads of leftover space for the kids to play!! The block is a near rectangle shape and has rear yard access from both sides.

The highset dwelling does require renovation to return it to its former glory but once complete, you would have a huge home on a huge block! It does feature upstairs and downstairs living (downstairs is of not legal height) that could accommodate the largest of families or downstairs would be ideal for a teenagers retreat.
