## **FAMILY LIVING WITH MODERN TOUCHES!**

Set on a generous 599sqm block, this 4-bedroom home offers plenty of space for comfortable family living. With practical features and a great location, it's perfect for those looking for a home that meets all the essentials.

The heart of the home is the modern kitchen, featuring stylish stone benchtops and ample cupboard storage, providing a functional and inviting space for cooking and gathering. The central bathroom, complemented by two additional WCs, ensures convenience for the whole family. Stay comfortable year-round with ducted air-conditioning throughout, and enjoy the practicality of a double garage for secure parking and storage.

The outdoor space includes a refreshing inground pool, perfect for cooling off during summer or relaxing with friends and family. The approx.. 599sqm block offers a great balance of space for entertaining and low-maintenance living.

Located close to schools, shopping centers, parks, and public transport, this property offers the convenience of having everything you need within easy reach.

This is a solid, no-fuss family home with plenty of potential to make it your own.
