## **Got The Lot**

This wonderful family home needs new owners. It has a wonderful large master bedroom with a walk-in-wardrobe and ensuite, 3 generous sized bedrooms plus a study. With two living/dining areas in this home you will never be cramped and having a large kitchen with oodles of cupboard space the family chef can cook up a storm. Large family gatherings are a breeze with a huge upstairs tiled area opening onto the large wooden deck with ocean views. You also save on your energy costs as the home has insulation and solar hot water with a booster. The list goes on so give us a call for a viewing as this home won't disappoint
