A true embodiment of reimagined sophistication, this 2-bedroom freestanding home has been masterfully crafted for those craving a downsized lifestyle without any level of compromise. Its all-encompassing modern style is met with supreme quality, where subtle yet impactful features lend to its overwhelming sense of pure relaxation. A classic facade has been renewed beyond high fences, adding style to a private setting that subtly hints at the quality of its stunning revival inside. Cultivated gardens, polished hardwood flooring and a softened colour palette create cohesion, complemented by downlights throughout that highlight the quality of its finish. Finished to an elite level, the kitchen boasts premium 900mm cooking appliances and a dishwasher, supporting the built-in BBQ and woodfired pizza oven of the outdoor terrace and landscaped yard - the ideal spot for alfresco dining with friends and family. Exquisite details continue in the accommodation space, where two robed bedrooms are closely supported by a wet-area bathroom and a fitted laundry, including the main with its own split-system comforts. Indulgent with split-system air conditioning, gas heating, sliding barn door separation to the bedrooms, and a substantial garage and workshop, it sits a short walk from Mornington Park Primary and Mornington Secondary, metres from buses, and a hop, skip and jump from Mornington Golf Club, Beleura beaches, medical amenities, and the ever-appealing Main Street.
