Bright family retreat with modern upgrades and generous living spaces

This beautifully lit family home has been thoughtfully designed for comfort and outdoor connection, featuring three spacious living areas ideal for relaxing, dining, and entertaining. Recently refreshed with a new kitchen, laundry, flooring, front porch, and a full repaint, the home combines modern updates with timeless neutral tones and stylish finishes.

Perfect for a family home or as an investment, the property offers versatility. The formal lounge and dining room, highlighted by a sun-soaked bay window, flows seamlessly into the meals and family area. The brand-new kitchen, equipped with stainless steel appliances and a Smeg cooker in anthracite, makes cooking a pleasure.

An additional office provides extra space, with sliding doors opening to a beautiful alfresco area and a large backyard where kids can run and play. The four bedrooms, including a master suite with mirrored built-in robes and an elegant ensuite, are tucked away for privacy and peace. The home also includes a family bathroom, separate toilet, and laundry for added convenience.

With solar panels for energy efficiency, ducted heating, evaporative cooling, two garden sheds, a water tank, and a double carport, this home is as practical as it is stylish. Located in a family-friendly neighborhood near Camelot Rise Primary, Highvale Secondary, Emmaus College, Vermont South shops, The Glen Shopping Centre, Dandenong Creek Trail, transport options, and major freeways, it offers an ideal blend of style, comfort, and convenience.
