Designed with meticulous attention to detail, these Hamptons-inspired, two-story residences exude architectural elegance and bespoke craftsmanship throughout. Each home features high ceilings, timber flooring in the living areas, plush carpeting in the bedrooms, and artisan tiles in the wet areas. Upon entering, you're welcomed by a separate sitting room with peaceful views of the reserve opposite. The state-of-the-art kitchen, a true centerpiece, offers abundant storage, custom cabinetry, premium European appliances, and sleek stone benchtops, seamlessly connected to the open-plan living and dining area. The ground floor also includes a spacious laundry with custom cabinetry and additional toilet. Upstairs, the homes continue to impress with a versatile landing, ideal as a sitting area or study, and sunlit bedrooms, each with built-in robes.
