Currently operating as a luxury accommodation business, this property could easily be used as a fantastic home or holiday home or if you wanted it could do both!

Set on over 1,000m² of land and just a matter of steps to all that the main street of Huskisson has to offer and a couple more steps to Currambene Creek and the beaches of Huskisson, Jervis Bay, the location is perfect.

The property consists of a total of 6 bedrooms, 5 and a half bathrooms, 2 kitchens and multiple indoor and outdoor living areas split between the 2 bedroom fully self contained and spacious managers residence upstairs and the 4 ensuited guest suites downstairs. On top of this there is a 4 car garage and ample off street parking, multiple storage rooms, an office, workshop and so much more.

Downstairs (the guest area) consists of 4 generous guest suites/bedrooms that are all ensuited with modern bathrooms (one has a spa bath and private deck), are air conditioned, have TVs, seating areas and more. There is also a full kitchen with stone benchtops and quality appliances along with a big dining area and separate atrium style lounge which all open up onto the central deck area and there is also a full laundry and office.

Upstairs the 2 bedroom managers residence consists of spacious and light filled living areas with raised ceilings and a sunny North aspect. There is another full kitchen, again with stone benchtops and quality appliances which both opens up to the covered deck area on one side and connects to the generous dining room with built-in bar or office area on the other side. There is then a huge lounge/living room and 2 bedrooms, a huge master suite with WIR and ensuite access to the 2 way bathroom with spa bath along with a big second bedroom with BIR. Downstairs there is internal secure access to both the guest area to one side and the massive 4+ car garage with ample storage and workshop space on the other.

With established gardens, a garden shed in the backyard, loads of parking space on the hardstand and side access there is no shortage of parking for cars, boats and/or vans.
