On offer is a well-presented and solid four-bedroom brick home with space for even the largest family. With a 607 sqm yard this home is ideal for those who love to entertain and live a low maintenance lifestyle. The covered patio at the rear runs the length of the home and looks out over a private and treed garden that is fully fenced and the perfect safe space for small children or pets. A large shed is a recent addition to the yard and the side gate leads back to the under-roof carport. The lounge has sliding glass doors leading to the front and back yards, opening the house up to the gardens. The kitchen leads through to the laundry with a linen cupboard and a separate toilet. Off the hallway are four bedrooms, three with built-in wardrobes, and an additional hall cupboard. The main bedroom and ensuite are at the rear of the home, ensuring privacy. And as the house has two bathrooms, there is no waiting for everyone to get ready in the mornings. The under-roof carport provides security for your car, and the house is fully screened and has security doors. Ceiling fans are located throughout, and the hot water system is brand new. The property is located close to all the facilities that Russell Island has to offer, including a short walk to the Bowls Club. This property is waiting for its next family, so if you are looking for your next family home or are an investor looking for an excellent rental property, look no further! Russell Island is affordable only 25 minutes by ferry from the mainland but a world away! Call Fiona on 0412 877 272 for more information. Property Code: 3526
