This grand residence promises a lifestyle of comfort and convenience for families of all sizes, with a self-contained, two-bedroom studio providing the perfect place for growing teens, multigenerational living, or anyone seeking extra space and flexibility. This expansive two-story residence has been thoughtfully designed with six well-appointed bedrooms, three bathrooms, and the perfect blend of privacy across shared living areas. Upstairs, you're welcomed into a generous open plan concept where freshly laid hybrid timber flooring stretches across the broad blank canvas, just awaiting your personal touch. Separating the dining from the living, the renovated wrap-around kitchen is bound to impress with glistening white benchtops and cabinetry and high-end electric appliances. Segregated from the bustling hub of the home, four sizeable bedrooms await, each fit with built-in wardrobes and large windows with wooden Venetian blinds. The master bedroom boasts a private ensuite, while the additional three bedrooms share access to the centrally located main bathroom, complete with a built-in bathtub for the ultimate end of day relaxation. Downstairs, the setup is ideal for teenagers seeking independence, extended family members, or even for renting. It features two spacious bedrooms, a sleek kitchenette, a comfortable living and dining space, and a private bathroom, offering everyone a bit of solitude while still being part of the larger home. Thoughtful features throughout make this home comfortable in every season. Upstairs, a central Mitsubishi ducted reverse cycle air conditioning system keeps temperatures just right, while downstairs benefits from Mitsubishi split air conditioning units. The quality insulation and abundant natural airflow offer energy-efficient comfort throughout the year, with generous sunlight adding a warm, welcoming feel to every corner of the house. Outside, a large enclosed undercover veranda, accessible via the downstairs kitchenette, provides the perfect place for external dining and entertainment in the fresh air. Additionally, an elevated sunroom overlooking the backyard offers a sunny spot to soak in the view and sunshine with a cold bevvy in hand – from here you can enjoy a relaxed evening with family and friends while watching the New Year's fireworks sparkle on the horizon. With its ample space, modern amenities, and thoughtful layout, this home is ready to welcome its next family, offering comfort, convenience, and room to grow in every sense. Whether relaxing on the front veranda or enjoying a family movie night in one of the spacious living areas, this home is truly built for life's best moments.
