Warren Andrews

\$299,000

Sitting on an extremely low maintenance block of 671m² this is prime investment material. Headleased to the NT Government with a tenant that loves the property, this property realises \$400.00 per week. After parking under the 4 car carport or in the 2 car garage, enter the residence into a huge open plan lounge/kitchen/dining area. You will either love or hate the wood panelling that features on all the walls in this area. The kitchen has electric cooking and heaps of cupboards and bench space. The lounge/dining area is kept cool on 40 degree days with split system air and fans. The property is tiled throughout. A doorway off the lounge leads to the three good sized bedrooms and the bathroom/toilet. All the bedrooms feature split system air and fans. From the kitchen step through to the large laundry and from there step outside. The undercover entertainment area runs the full length of the house and is an ideal place to set up the bbq with friends or family. At under \$300,000 this property is priced to sell.
