"Oakvale" Bespoke Grandeur Arguably one of the district's finest residences, "Oakvale" is a timeless classic showcasing outstanding craftsmanship and attention to detail. Set on a sprawling 1194 square metre block in the centre of town, this grand home boasts a plethora of period features including ornate pressed metal ceilings, polished timber floors, cast iron fireplaces, picture rails, bay windows, decorative mouldings and architraves. The expansive layout offers 4 bedrooms, 2 bathrooms, a formal living room, a custom kitchen with quality stainless appliances, ducted gas central heating throughout, along with a covered front verandah and large rear patio. The private grounds are meticulously maintained and offer a desirable blend of colourful garden beds and mature, established trees. There is rear lane access to an original single brick garage (with new driveway) and a new double colorbond garage and workshop. A rare opportunity to secure a notable and historic slice of Lithgow just a short stroll away from Main Street and the railway station. Property Brochures Property ID 1HHBF9X
