## **The Perfect Family Home!**

This amazing modern family home set on a large block is the perfect property for the larger family!

Set on just over 1300m<sup>2</sup> and with a well-positioned home allows this property the space for a very large shed (STCA) or just enough grass for kids and pets to run around under a watchful eye.

The design of the house is perfect for the larger family, with four large bedrooms with robes and separation between each to ensure privacy throughout.

The large northwest facing lounge dining and kitchen that flows out to a spacious deck is the heart of this beautiful home and allows for indoor/outdoor dining and for parents to be able to watch the kids play from indoors.

A large master suite is a fantastic addition to this home and boasts a beautiful ensuite and walk-in robe.

The home has been built extremely sturdily with brick and brick render plus the added benefit of double glazed windows and insulated heavily as modern homes are.

Set perfectly between schools and the shopping district gives this home a fantastic practical location.

Homes like this on larger blocks are harder to find, for further information or to register your interest please contact the listing agent Kurt Knowles today!
