5 Minute Walk to the Hospital on a Large Block

This cute weatherboard 3 bedroom home is located one block from the Rockhampton Hospital, St Joseph Primary School & a 5 minute drive to the Grammar Schools & Airport.

The hardwood timber floors have just been polished and the home has been painted white throughout.

The front door opens into the lounge and the 3 bedrooms have built-in robes, split air-conditioners & ceiling fans. The kitchen is retro style and is neat and tidy, with a brand new stove. There is a large dining room from the kitchen that could also have a 2nd lounge area.

The house sits on a 991m² block with a new fence on the left side & a new roof.

Contact me for more information on rental appraisal or inspection times.
