Early St Helens

Looking for a spacious character home located only a short level walk into the shopping centre at St Helens then this property could fit your requirements. The dwelling was one of the earlier homes built (circa 1928) in the district. The land area of which is 2,023m² is sub dividable (STCA). Currently the land is set in magnificent gardens plus a mini golf course for your own entertainment. The residence has a spacious living area of which a modern kitchen area adjoins. Heating is by a wood heater plus a reverse cycle unit for both heating and cooling. 3 good size bedrooms with access to an office from one of the bedrooms plus two bathrooms and two toilets. The property offers lots of lots of potential and charm. Viewing is highly recommended.
