\$430,000

Tidy Family Home Nestled in a highly sought-after hilltop location, this charming property offers a perfect balance of comfort and style. Featuring 4 generously sized bedrooms, a large lounge room, and a formal dining area, there's ample space for family living and entertaining. The functional kitchen provides practicality, while the air conditioning ensures year-round comfort. A family bathroom, complemented by a second toilet, adds convenience for busy households. Outside, the elevated block captures stunning northern farmland views, with a private patio area and beautifully manicured gardens creating an inviting outdoor retreat. Additional features include a double carport and a 2-bay shed, offering ample parking and storage. Don't miss the chance to secure this gem in a well-regarded location. Features Toilets (2)
