Step inside this fantastic single-level home and immediately feel the charm of its distinct design. Timber floors and an expansive open-plan living and dining area welcome you, all framed by striking bamboo thatched panel ceilings that add a touch of character and warmth. At the heart of the home is the functional kitchen, thoughtfully positioned at the rear, complete with a convenient servery. Flowing seamlessly from the dining area through stacker doors, you'll discover one of the home's standout features: an expansive covered timber deck. This space is perfect for entertaining or unwinding, offering tranquil views of the beautiful bush backdrop and a large, grassed area that feels like your private sanctuary. This home boasts four generous bedrooms, including a spacious master suite with a walk-in robe, an ensuite, and direct access to the deck. A second bedroom also enjoys deck access, making it ideal for guests or multi-generational living. Additionally, a dedicated study provides the flexibility to convert into a fifth bedroom if needed. At the front of the property, a peaceful alfresco area is perfectly positioned beside the sparkling pool - a private retreat for relaxation or social gatherings. Under the house, a substantial storage and workshop area offers endless possibilities. Whether you envision additional living spaces, bedrooms, or a creative studio, the potential to expand is limited only by your imagination (subject to relevant approvals). The home boasts additional features, including ducted air conditioning for year-round comfort, a vacuum maid system, solar pool heating, side access to the lower section of the block, a double lock-up garage, and off-street parking for four additional vehicles or space to store a boat or caravan. Nestled in a peaceful and quiet setting, this home offers the perfect balance of seclusion and convenience. Just moments from Buderim Village and its array of amenities, you'll enjoy the very best of Sunshine Coast living. This is the Buderim lifestyle change you've been waiting for.
