A PIECE OF HISTORY

This unique 2 storey 3 bedroom home is a genuine slice of local history and you could now own this lovely period home from the 1890's set on 3500 sq metres of land in Failford. This home is an original cottage and a heritage indicator of the former prosperity of a late 19th century township in the Failford area. It has been loved for over 120 years and now it could be yours. This home is full of beauty and whilst it has been restored over the years it still holds its natural charm from yesteryear with ornate fireplaces and character from the days gone by. Set on a good sized parcel of land with lovely gardens in place to enjoy plus separate shedding it could be a perfect place to call home or perhaps it would make the ultimate guest house or holiday retreat but it is truly a rare find.
