Spaces to love inside and out!

Bluestone Rise stands as the cherished family and downsizer hub of Kyneton, where friendly neighbours chat over fences, proud facades and gardens adorn the streets and children play together or walk to school in groups. Its appeal lies in its proximity to schools, hospitals and easy freeway access to Melbourne and Bendigo, while still being within walking distance to sporting facilities, the town centre and V/Line train services.

This quality home within the precinct boasts distinctive features that set it apart and ensure it will be a happy home. Noteworthy attributes include a well-thought-out floor plan and a rear elevated yet sheltered and private alfresco area, perfect for daily living and large-scale entertaining.

Catering to both families and downsizers, the property offers 4 bedrooms, including a private master with a generous walk-in robe and ensuite. The additional bedrooms are conveniently located in their own wing, serviced by a family bathroom and separate toilet.

Ample storage throughout helps maintain a modern, minimalist aesthetic. There is even a long workshop space under the home with windows, ideal as a tinkering or hobby space.

Two living areas, joined by a charming dual-faced faux gas log fireplace, provide space for relaxation and family gatherings. The kitchen is well-appointed with stone surfaces, stainless steel appliances and generous storage space.

Outside, the alfresco area exudes an edgy terrace feel, ideal for hosting gatherings large or small, with opportunities for future enhancements like a wood-fired pizza oven or spa.

The integrated double garage offers direct access to the rear yard via a roller door, perfect for landscaping projects, while the return driveway ensures ample off-street parking for guests and teenagers.
