SOLID AND WELL POSITIONED LAKEWOOD RESIDENCE

This is one of Lakewood's original homes, positioned up near the lake. A mixture of full brick on the ground floor and brick veneer on the upper storey. Three bedrooms in total, two upstairs and one on ground floor. Large rumpus room, second shower/WC and a very accommodating double garage complete the ground floor. Upstairs provides bedroom two and three, large formal living plus combined kitchen and dining. Some filtered glimpses of Queens Lake from the lounge and elevated front verandah. Established, easy to maintain block, covered outdoor area at rear and enough side access to park a boat or caravan.
