This beautiful home is full of charm and character. Only a few years old you'll appreciate the flexible floor plan and finishes in this property. • Master suite includes walk in robe and large ensuite, including dual sinks and oversize shower. • Remaining 3 bedrooms are of good size and include built-in-robos. • Central living, kitchen, dining area is bathed in natural light and oozes sophistication with rose gold and dusty pink features. • Kitchen features 900mm gas stove top and electric oven, dishwasher, ample bench space and a walk in pantry. • Both the Dining and Living areas have access to outside via sliding doors. • Dedicated, separate second living space. • Built in study nook with desk top and shelving. • Central Heating throughout. • Split system to the Central living space. • Corner block with secure backyard, concrete paths, established gardens and side access.
