Stately Dual-Living Masterpiece!

Privately nestled toward the end of a scenic, sealed country road, lies one of the finest homes on offer in the Northern Rivers. Every corner of this incredible five acre estate is met with magnificence and awe, a property that truly must be seen to be believed.

The main split-level dwelling is separated in two, providing an executive dual-living option or plenty of space for large families. Upstairs, the palatial master suite is fit for royalty, with a chandelier, walk-in robe and stylish renovated ensuite.

Allow your cooking experience to be taken to the next level with a masterfully designed kitchen, equipped with a central island bench, 900mm Westinghouse Oven, gas cooktops and two butler's pantries. Bench-to-ceiling windows allow an abundance of natural light to flow into the home, as well as providing a stunning outlook over the manicured gardens.

The fully self-contained downstairs wing features expansive open plan living and dining, with Rosewood kitchen, granite benchtops and wood heater, keeping the home warm and inviting. Three bedrooms are serviced by a modern bathroom with double vanity, separate toilet and laundry.

A separate studio with an impressive spiral staircase leads to a loft bedroom offering a fantastic opportunity for a home office or teenager's retreat.

Outside, impeccable attention to detail is evident upon your arrival with a fully paved driveway leading to the extra-large two bay shed and double carport.

Entertaining is a treat as you enjoy an evening with friends and family around the in-ground firepit, an afternoon dip in the sparkling lap pool or relaxing on one of the multiple North-facing patios.

Immaculate, uncompromising and quite simply breath-taking only your inspection of this grand estate will reveal all that it has to offer.
