Sophisticated Luxury Packed With Extras

For the those in search of the complete package of high-end luxury, spacious, stylish living, and the ultimate outdoor lifestyle, then this stunning, established home showcases the absolute best of everything!

Positioned on an elevated, easy-care block, at the highest point in the street, it offers total convenience with local shopping centres, beaches, Golf Courses and schools just minutes away.

With multiple living areas on offer, this home boasts a huge sunken lounge in the heart of the home, open plan family room at the rear and a designer kitchen with masses of cabinetry, high-end appliances and stone bench, which is perfect for entertainers.

With a real focus on indoor/outdoor living, sliding doors lead seamlessly out to an enormous, covered timber alfresco area which flows out to a gorgeous resort style pool and easy-care, established tropical gardens beyond.

As if this wasn't enough, there is the ultimate "man cave" entertainment space. Enter through gorgeous timber French doors, this massive space with stunning travertine tiles, VJ panelling on both walls and ceiling, easy start gas fireplace and plantation shutters. This space could really be anything from private in-law accommodation, potential AirBNB for those looking for additional income, home gym.

Back inside, the master suite is one of the best you will ever see. It offers a sanctuary away from the rest of the home and with a huge, WIR, luxurious ensuite and lovely North aspect, it is sure to impress. Three further bedrooms all features built-in-robos and are serviced by a stylish, generously sized, family bathroom. Plus, a separate home office perfect for those who work from home.

And just as a bonus there is massive, gated side access, with more than enough space for both a boat and large caravan.
