Great Position in Penguin

An ideal family home featuring a lovely north-facing lounge room that captures the sun perfectly through the large, double-glazed windows. The kitchen offers plenty of bench and cupboard space plus a pantry and is complemented with a spacious dining area perfect for family and friends to gather and entertain. A real bonus is the rumpus room on the ground floor which creates an extra space within the home.

The generous yard at the rear of the home offers a secure and private space for the family to play, entertain friends and enjoy the outdoors. There is a deck area, hot house, chook yard, and a variety of raised garden beds, fruit trees and berry patches. There is a gated area, off-street, to the back yard for storage of a trailer, boat or motor home.

With a remote roller door, the internal access garage could double as workshop space or great storage area. A very neat home which would be a great investment property or first home. Inspect this fabulous home only a short walk to the beaches and beautiful township of Penguin.
