BRAND NEW BRILLIANCE IN PRIME LIFESTYLE LOCATION

Brand new and awaiting its first fortunate family, this easy-living home will evolve with your changing needs generously providing dual living, four bedrooms plus study (including a ground floor and first-floor master suites).

Blessed with the permanence of a parkside location, this elevated townhouse provides effortless luxury.

Curated with timeless finishes from top to bottom that will make you feel at home, the residence comprises a spacious living zone that flows onto a low-maintenance wraparound yard. Overlooked by a stone kitchen designed for entertaining with 900mm gas cooking, double ovens and a butler's pantry to tuck everything out of sight.

The ground floor also hosts a study and a master bedroom with a walk-in robe through to an ensuite. While the first floor boasts a generous master suite overlooking the lush parkland served by a sparkling ensuite with a walk-in rainfall shower as well as a bright rumpus room separating the two further bedrooms alongside a matching family bathroom with tub.

This modern marvel also offers the added comfort and convenience of cleverly placed fitted laundry and guest powder rooms, double auto garage with internal access, ducted air conditioning and an alarm all wrapped in a resilient brick exterior.

Step out the front door to Watson Park, Estrella Kindergarten and popular Solway Primary with Gardiners Creek parkland and playing fields, two train lines, buses and High Street shops and cafes all within walking distance. Enjoy easy access to leading private schools, Chadstone Shopping Centre and Monash Freeway.
