Charlie McCarron

Auction

Situated on a whopping 1,012m² block with rear lane access, this 3 bedroom highset cottage awaits your inspection. Boasting pine timber flooring and a comfortable air conditioned living room, this home offers oodles of character and functionality. The rear entertaining deck looks over the backyard that offers plenty of space for the family pets, kids to play or the addition of a shed or pool. Downstairs homes plenty of storage space, concrete area and steel stumps. Whether you're looking to move straight in, renovate, or invest, this home is a must-see. Don't miss the chance to own this fantastic property in a quiet yet accessible location. Contact us today to arrange an inspection!
