Spacious Lowset Brick Home, Perfect for Family Living and Entertaining!

This lowset brick home is perfect for the growing family and offers plenty of room to move and enjoy! With multiple living spaces and great outdoor entertaining, it's designed for comfort and convenience.

Key Features:

- 4 Built-In Bedrooms: All featuring ceiling fans and security screens for added comfort and peace of mind.
- Master Suite with Ensuite: A modern bathroom plus private ensuite for the master bedroom – the perfect retreat.
- Open Plan Living & Dining: Spacious and bright, ideal for family gatherings or relaxing with friends.
- Walk-Through Kitchen: Practical and well-designed with plenty of bench space, plus an additional dining area for casual meals.
- Large Entertaining Area: Perfect for hosting BBQs, family celebrations, or enjoying outdoor time with the kids.
- Low Maintenance, Brick Construction: Solid and durable, making it ideal for families looking for easy upkeep.

This home has everything you need to settle in and make lasting memories. With ample space both inside and out, it's a fantastic family-friendly option. Don't miss the chance to make this home yours
