Immaculate first home or investment

Located in a quiet well kept street of Goodwood, mere minutes to Bunnings, Spotlight and the comprehensive facilities of Glenorchy, this much loved family is offered for sale for the first time in over 57 years. Immediately charming from the street frontage, this delightful home has been impeccably maintained both inside and out, and offers a great opportunity for you to personalise the property to your own tastes.

Up the front steps, entry leads through to the three bedrooms and neat family bathroom, then through to the upgraded Tasmanian oak kitchen & dining space with new oven, and then directly to the lounge room with woodheater and sliding doors to separate the areas if needed. At the rear is a fantastic & spacious sunroom with stone walls and enclosed with windows to enable year round usage - a lovely spot to sit and enjoy a coffee in the sunshine. There is also separate workshop with access through to the secure garage which opens to the carport which has access directly back into the sunroom.

The rear gardens are lovely, with privacy abounding, plus a range of fruit trees and colourful plantings, with two sheds and raised veggie beds.

Solidly constructed and maintained so beautifully, this gem of property is now ready for its new family - could that be you?
