First-Class Family Living with Green Credentials

38 COPPER CRESCENT CALOUNDRA WEST

Situated in the heart of the Bells Reach Estate this beautifully appointed environmentally friendly, green family home blends modern features with the ease of coastal living, nestled in a highly desirable neighbourhood opposite acres of parkland and walking tracks.

This property has had no expense spared, with a fantastic layout boasting a large kitchen with an enormous gas cooker, walk-in pantry and plenty of storage, spacious master bedroom and a list of inclusions that truly need to be seen to be appreciated.

Extra attention has been paid to all of the details here, from the high ceilings and timber accents throughout, to the open plan living area that flows seamlessly out to the expansive alfresco area making it perfect for entertaining guests.

Not only that, the solar hot water comes with a backup for when it's cloudy and for those chilly days, the swimming pool is also heated. All you need to do is move in, sit back and relax.

This home doesn't fall short on location either. The park is directly across the road for the kids to run around. You're also a short walk to Unity College, Izba cafe and local shops or take a short drive to the beautiful local beaches and Sunshine Coast Turf Club.

Features We Love:

- ~ Four bedrooms, two bathrooms, two car garage
- ~ Shade sail covering the driveway
- ~ Heated swimming pool
- ~ Solar power and hot water system
- ~ Walk to parks, shops and schools
- ~ Just a 2-minute drive to Bellvista Retail, Medical Complex, The Clubhouse & Baringa Tavern
