PRIME OPPORTUNITY IN THE GULF!

Imagine living and working in the same location. That is a real opportunity right here with this generous size four bedroom home with a multi room commercial building.

The home is complete with 4 large bedrooms, 2 bathrooms, a generous sized central living area, and a commercial sized kitchen with stainless steel benches as well as an island bench. The shop consist of a smaller office space that is currently tenanted, as well as a large café/shop that is currently vacant and has the equipment to become a café again very quickly or is versatile enough to become any other kind of business that you desire. There is an additional spare block of land that could be subdivided and sold, or built on to expand your operations. Both front and side access is available to the property making it ideal for multiple vehicles or dual access. So many opportunities on offer with this property and a beautiful home to go with it, CALL US TODAY TO BOOK AN INSPECTION OF 38-40 THOMPSON STREET!
