Stunning Views from this Modern Marvel

Offers Close Thurs 19/12 @ 2pm

Are you dreaming of a modern, quality built home in the perfect location, with all the must have features, including sweeping ocean views? It's a reality and ready for your inspection. Rarely are we able to offer such an affordable, as new, light filled home ready and waiting for you to begin the new year in comfort and style.

The thoughtfully designed floor plan includes many features including a superb chef's kitchen enjoying a stainless steel gas cooktop with matching rangehood and electric oven, dishwasher, double door pantry, pendant lighting over the waterfall benchtops and breakfast bar. Both the kitchen and adjoining light and bright open plan living and dining area enjoys a striking outlook over the landscape gardens and sparkling ocean beyond.

All three bedrooms are generously sized, the master boasting a box bay window, walk-in robe, striking ensuite with a huge walk-in shower and designer tapware. The main bathroom is also stunning boasting quality cabinets and a separate bath and shower. Other internal "must have" features include a separate study nook, tiled laundry, split system air-conditioner, hybrid timber flooring and quality carpets, garage with internal access and remote roller door.

Outside is equally as impressive offering a solar system to ensure electricity bills are kept to a minimum, private landscaped gardens, rear verandah, amazing views of the valley, rolling hills and the sparkling ocean. Last but not least the very rare convenience of side access ideal for storing boats, caravans or additional cars.

Inspection is highly recommended.
