Three Bedroom Units with Backyards!

These brand-new units built by Thomas Bennett Building are something that truly needs to be considered!

The large villa style design with three bedrooms, two bathrooms and a single internal garage with the added benefit of a fully fenced private backyard.

The open plan north facing living areas of these villas are the true heart of the homes which are complemented by a beautiful composite board deck that overlooks the well sized backyards, these areas are perfect for pets and children to run around under a watchful eye.

The body corporate laws with these units allow for two pets up to 25kg each which is a fantastic attribute!

The northerly aspect which looks out over beautiful green farmland and allows for sunlight to penetrate throughout the homes is a great design feature and warms the interior day and year-round.

South Road is located approx. 5 minutes to the beach/Penguin CBD and is centrally located between the Penguin Golf Club, Bowls, Football clubs and the Penguin High and Primary Schools, this location could not be any better!

These brand-new units will not last long, for more information or to book a private inspection please contact the listing agent Kurt Knowles today!
