Comfort, style and location collide in impressive style in this coastal home, where the beach is just moments away and all the delights of Forster are within easy reach. The inviting three-bedroom home is perfect for a growing family, or anybody seeking a smart coastal investment. A lovingly maintained front yard frames the homely single level façade, where a front porch invites you indoors. Here the warmth of polished timber floors and light-filled living spaces greet you, setting the welcoming tone that resonates throughout the home. The gourmet kitchen is destined to provide a multitude of happy family times. It comes complete with a large pantry, an island bench and modern stainless steel appliances including a dishwasher, oven and gas cooktop. Air-conditioned for comfort, this open-plan space enjoys neutral tones and tranquil views of the lush green backyard. It's as equally adapted to entertaining as it is to quiet family times. The three generous bedrooms all have built-in robes, carpets and air-conditioning. One has an ensuite bathroom with shower, toilet and vanity, while the rest of the home is serviced by a large central bathroom with bath, shower, vanity and toilet. The internal laundry is a useful inclusion. It leads out to a sprawling decked area, covered for year-round use and ideal for summer barbeques.
