VALLEY VIEW

Delivering a private paradise the entire family will love with bush and farmland views over Gunyong Creek, a stunning inground pool, basketball practice area, inground trampoline and even an outdoor cinema, this sprawling modern home has something for everyone. Perched right on banks of the creek and incredibly private behind remote gates, the five-bedroom residence includes three living areas, two bathrooms, two powder rooms as well as a brilliant poolside entertaining area with a large screen television hidden away behind a remote-controlled roller shutter. Inside, an open plan living and dining features enormous picture windows framing views of the pool and creek valley and is set beside a sensational stone topped kitchen with double ovens and a butler's pantry. There is also a separate quiet lounge on the lower level while upstairs a third living space is perfect as children's retreat and parents are treated to a large main bedroom with walk-in robe, ensuite and private balcony. Together with wide oak floorboards, a palette of neutral tones, zoned ducted heating, evaporative cooling and split-system airconditioning to take care of the creature comforts, a firepit conversation area, outdoor shower, remote double garage, app control for the security system and pool and a six star energy rating, this is the ultimate family home just a short drive from top schools and Mt Eliza village.
