## **Parking Aplenty**

This solid home is on the market for the very first time. The owners had a well respected builder construct this sound home in the 70's and have meticulously maintained the property inside and out ever since.

With 3 good sized bedrooms and 2 bathrooms, spacious lounge dining and a beautiful timber kitchen, this home has all you need. The dual driveway is so convenient for the multiple cars as is the carport and extra parking. The lock up shed has power, concrete floor and will easily accommodate 3 large vehicles (9.6m x 6.1m)

A fabulous undercover entertaining area with blinds and lighting, an extra storage shed, low maintenance yard with no lawn to cut, the backyard is a busy persons ideal!!
