## **A magnificent house**

Moonta Bay is a beautiful seaside town on the Yorke Peninsula. This magnificent house has just come on the market. Quality neighbouring homes surround it in a tranquil cul-de-sac. The property is two-storey with a massive landing and distant sea views. You can sit outside and enjoy the summer evening breeze and the beautiful sunsets. It has a large double shed and a landscaped back and front garden. The Property is all electric and has solar power. It is equipped with quality appliances, and a spacious kitchen for entertaining.

It has plenty of parking spaces and room for a boat or caravan, and it is ideal for your forever home, holiday home, or holiday rental. This property is absolutely stunning inside, too, with a number of living rooms, an open-plan kitchen, and a dining area downstairs. Upstairs bedrooms and a bathroom, another bathroom downstairs and a bedroom downstairs too.

The house is about a kilometre from the main street of Moonta; the township has a well-stocked supermarket, restaurants and eateries, and many shops for browsing and a primary school. It is about 1.5 kilometres from the Jetty and the beautiful beachside area, with a kids' waterslide and restaurant.

The Yorke Peninsula has many beautiful beaches and national parks, and it is only 15 minutes from the townships of Kadina and Wallaroo. It has abundant bike paths, with one going directly to Wallaroo. It has 2 golf courses, including Greg Norman's golf course.
