Better Than New!!

Modern and affordable living doesn't get any better than this. Less than six months old with a long list of highly desirable features the home boasts open plan living/dining area including a central chefs kitchen with designer tapware, plenty of cupboard space, stone benchtops, stainless steel gas cooktop with matching rangehood and electric oven, dishwasher, plumbing for your fridge water/Ice maker and stunning feature window overlooking the rear yard generating additional natural sunlight into the kitchen and living areas. Both bedrooms are generously proportioned and include built-in robes and ceiling fans. A true feature of the home is the centrally located, stunning fully tiled bathroom, again offering design tapware and fittings, separate bath and shower and a stand-alone vanity with cupboard space under.

Other features inside include a split system air-conditioner, separate laundry and double glazed windows, a must have to assist in maintaining a comfortable temperature year-round and minimising energy costs.

Outside offers a low maintenance yard boasting a covered outdoor entertaining area, extensive paving, lush lawn, garden beds, rainwater tank, covered parking and distant views of the ocean.

Simply move in and enjoy a first class lifestyle, perfect for the owner occupier or an astute investor. Inspection is highly recommended.
