Built in 2015, this amazing property sits in front of the water, offering modern amenities and features that ensure the perfect blend of modern design and natural beauty. Set on a spacious land area of 1202 sqm it has a serene and peaceful environment between the trees and the water that will make you feel beyond relaxed in your own space. Featuring three good sized bedrooms. The master bedroom sits at the front of the building & includes built-in wardrobes and an en-suite bathroom, ensuring privacy and comfort with a water view. The whole home provides space and loads of storage throughout, for a growing family or those who love to entertain guests & the interior design & layout shows attention to detail with high-quality finishes. One of the highlights of this property is the front living area, the large windows frame the stunning views right at the door step of the property. The lush grassland, plants, bird life and a serene running river create a tranquil atmosphere that will make you forget about the hustle and bustle of daily life by simply enjoying the beauty of nature in and around the water. Wander outside this immaculate property and you will find a beautifully complete, long exposed aggregate concrete driveway with natives strategically placed in front and nestled along the side for quiet privacy. There is also a spacious garage off to the left and an amazing boardwalk that meanders along the front to enjoy the scenery. All of this just a few minutes walk to the town centre.
