State-of-the-art designer oasis with north facing alfresco zones

This stunning home has been impeccably crafted to the highest specifications, displaying mid-century inspired living zones that transition seamlessly to the north facing gardens, skylit terrace, outdoor heating and pool. Showcasing custom detailing including a bespoke moulded staircase, the residence is enhanced by a warm natural palette featuring the finest stone and timber finishes. Floor-to-ceiling glass doors and highlight windows take full advantage of the exquisite aspects, creating a secluded yet sun filled coastal oasis. Enjoy a lifestyle of exceptional convenience and tranquillity, with transport and the Pacific Square dining and retail hub just a short walk away.

- + State-of-the-art concrete construction with stunning tiled finish
- + Limestone flooring inside and out plus impeccable marble surfaces
- + Skylit terrace features a full barbecue kitchen with wine fridge
- + Interiors overlook the heated swimming pool/spa and firepit
