The home offers three large bedrooms of equal size at the front of the home, one with built-in cupboards and two with air-conditioning. At the centre of the home is the bright air-conditioned living room, with an adjoining sunroom ideal as a dining room or study. At the rear is the tidy kitchen, with a meals area that opens out to the large covered patio area, perfect for entertaining. The large bathroom has both a tub and shower.

Outside, you'll enjoy a large, flat, fenced block, with a single drive-through carport, single garage, garden shed, and chicken coop. Other features of this property include 4 year-old solar system and security screens.
