BANYAN ESTATE: Gracious Queenslander 15 Mins To Café Central on Noosa River

Picture exclusive Banyan Estate, the majesty of a classic Queenslander almost encircled by verandah, luxury everything, and set amongst botanical-like gardens including grand wide arboured 150-old Moreton Bay Fig.

Relish the thought of easy 4ha bordering Six Mile Creek with platypus habitats; equestrian pursuits with 4 paddocks, arena, barn and wash bay. Let's not forget a guest cottage, tiny house, pool house with steam room, sauna and gym, and lily-covered dams with jetty, camp kitchen and fire pit, or a 100m zipline... just for fun.

Such semi-rural splendour and more, in a prestige pocket offering the very finest of hinterland living, without sacrificing access to a bounty of natural assets, such as Noosa Main Beach, 25-minutes away. Every once in a while, a property takes your breath away. This is it.
